

# DARCY SPRIGG

## COMPUTER SCIENCE AND MATHEMATICS COMBINED MAJOR

### CONTACT

(250) 896-0088 | darcysprigg@outlook.com | Victoria, BC

### WORK EXPERIENCE

#### Research Assistant - Vietnam National University HCMC, International University

Ho Chi Minh City, Vietnam | May 2026 – Aug 2026

Researched topology-enhanced video classification by combining persistent homology with deep learning.

#### Security Guard - Emporia Restaurant & Live Music Venue

Langford, BC | Mar 2026 – May 2026

Checked guest IDs, enforced venue rules, and de-escalated conflicts to maintain a safe environment.

#### Depot Processor - Bottle Depot Return-it Center

Victoria, BC | Jan 2023 – Apr 2023; Sep 2023 – Apr 2024; Sep 2025 – May 2026

Sorted incoming returns, processed them for shipment, and assisted customers.

### EDUCATION

#### University of Victoria - Bachelor of Science (In Progress)

Victoria, BC | Sep 2023 – Present

Computer Science and Mathematics major with a strong analytical and quantitative foundation.

#### Oak Bay Secondary School - High School Diploma

Victoria, BC | Sep 2018 – Jun 2022

Graduated with honours from Oak Bay Secondary School.

### PROJECTS

#### Research - Topology-Enhanced Video Classification

Engineered topology infused video classification models by incorporating persistence images into a baseline 3D-CNN to assess classification performance gains from topological feature fusion.

#### Software Development - Stock Fundamentals Reporting Tool

Built a Python-based tool that automatically collects market data, financial statements, and valuation metrics using yfinance. It generates structured PDF reports for straightforward stock evaluation.

### SKILLS/COMPETENCIES

Python, HTML, SQL, R | Git (Version Control) | Statistical Analysis | Computational Problem Solving | Discrete Mathematics | Mathematical Proofs | Machine Learning Fundamentals | Data Visualization

### NOTABLE COMPLETED CLASSES

Algorithms and Data Structures I/II | Software Development Methods | Discrete and Combinatorial Mathematics | Matrix Algebra I | Introduction to Real Analysis | Data Analysis | Calculus I - IV
